Enclosures: R.O.C No. 543/53. A.3. , dated 19-3-1953. 195

Sub: ESTABLISHMENT--Secondary--Education--Municipal High School Hosnet--Deputation of untrained Assistants for B.T. training stipend of Rs. 50/- per month during the period of training-- Additional expenditure sanction--Requested.

Ref:- 1. Letter C.No. 147/53. d/22-1-53 of Head Master, Municipal High School Hosnet.
2. Council Resolution No. 90 dated 14-2-1953.

The Head Master, Municipal High School Hosnet in his letter cited above had requested the Council to depute two untrained assistants Sri. S. Anantha Rao, Bsc., and Sri. A.N. Rama Swamy B.sc., for B.T. training in Mathematics for the year 53-54 in view of the difficulty experienced in the current year in securing trained assistants in Mathemetics even on wide advertisement in leading dailies, as the Municipal High School needs at least 3 mathmatics L.T. assistants for the eleven Kannada sections. For want of qualified hands a superanuated teacher at the maximum pay is being entertained in the current year.

The Council in its Resolution No. 90 dated 14-2-1953 (copy enclosed.) has sanctioned the expenditure and permitted the deputation of the two untrained assistants Sri. S. Anantha Rao, B.Sc., and A.N. Rama swamy Bsc., for training in Mathematics resolving to pay a stipend of Rs. 50/- P.M. each for 9 months on condition of their executing a bond to serve in the Municipal High School Hosnet for at least 5 years after their training.

I request you to sanction the extra expenditure to be incurred by the above deputation under rule 52 (6) of Schedule VV to M.D.M. act 1920 as amended .

2. As per statistics collected in this office, there are 17 sections in the higher forms of the Municipal High school and only 11 L.T. assistants and 4 untrained graduates are working for the 11 sections in Kannada, there is no mathematics B.T. and the subject is being handled by untrained graduates for want of qualified hands. Hence there is real dearth of mathematics B.Ts. for these 11 Kannada sections of the higher forms in Municipal High school.

3. But out of the two candidates proposed for deputation Sri:S.Anantha Rao has passsd his B.Sc. degree with physics as main and mathematics as subsidiary.
